HAND PICKED AND *inspired* DESIGN

THE KITCHEN BY NEIL LERNER

Elegance meets modern simplicity in our carefully planned kitchens. The focal point is a central island with every mod con appliance hidden from view. Streamlined, soft closing drawers and cabinets are teamed with Neolith porcelain worktops, Gaggenau appliances and a Quooker Nordic boiling-water tap complete the look.

MASTER BEDROOM

We have created a haven dedicated to rest and relaxation, using soft colours and design features.

Night and day you can control your temperature to suit the season with underfloor heating and air cooling throughout. Bespoke fitted wardrobes feature sensor lighting with a dressing table with every compartment you could wish for, as well as sensitive, Lutron mood lighting.

Many have French doors opening onto gardens and terraces.

DINE AND LOUNGE IN LUXURY

Enjoy spacious living at its very best.

Every effort has been made to ensure conversation flows within a beautifully interior designed space. If you care for a more open-plan feel then the lounge and dining area can be one fluid space.

Should you need privacy however, there is an option to shut off the dining room from the lounge to create two separate rooms.

Either way, it's a nice choice to have.

THE BATHROOM

The bathroom is your ultimate private space where you can hide away from the world. With that in mind, we have created a luxurious feel with a wet room, his and her wash basins, hand made Italian taps, cleverly designed storage spaces, chrome fittings, Italian porcelain tiles and underfloor heating throughout.

Kick back in the free standing stone bathtub while your choice of music fills the room through concealed, surround sound speakers.

ENTRANCE HALL

From the moment the uniformed concierge greets you, you'll feel enveloped in an aura of opulence and glamour.

The glass and timber curved staircase is a stunning feature while the spectacular floor to ceiling hand blown chandelier takes centre stage for its stunning design.

With lifts to every apartment, wifi access throughout, every attention to detail has been considered with your comfort and convenience paramount.
